

Animal Services

All cat housing areas are currently closed at the Loudoun County Animal Shelter due to an outbreak of corona virus.

We are not able to accept owner surrenders of cats at this time.

If you have a stray cat in need of sheltering, please call us at 703-777-0406 prior to bringing the cat to the shelter.

Corona is a virus that many cats carry and it sometimes causes only mild symptoms. Unfortunately, our cats were exposed to a much more virulent strain causing severe illness.

We are currently utilizing very stringent cleaning protocols to ensure that cat areas will be disinfected prior to re-opening. We expect to re-open our cat areas on Saturday, March 5.
